Welcome to... IN YOUR VICINITY

Welcome to the NOVEMBER edition of IN YOUR VICINITY.

The weather temperature is dramatically changing, but on reflection we have had a very good summer and lovely autumn weather, and I am sure we will all be happy if we experience the same mild winter as last year.

Firework night is fast approaching and there lots of very well managed displays around, the US Presidential Election takes place on November 8th, every day for last six months it has been in the news somehow, it seems strange that a powerful nation has struggled to provide good candidates for president. There are many building developments that are progressing at a great pace, lots of new housing developments are taking shape and finishing very quickly which will add 20,000 homes to the local area. Rushden Lakes is really taking shape with the first stores due to open in the Spring 2017, and the Warth Park development in Raunds has new buildings adding to the area including a new Asda store, Stanton Cross in Wellingborough has started with the scheme adding 3,500 homes, 2 new schools, and improved development of the train station.

The Autumn Rugby Internationals start this month with England playing South Africa, Fiji, Argentina and finally Australia over the four weeks. The England v Scotland football international takes place on Friday November 11th as part of the next World Cup qualifying campaign. The conclusion to the F.1 season approaches with Brazil on November 13th and then Abu Dhabi on the 27th completing the season.

With many new people moving into the area is your business in need of more local trade and awareness? The use of free local magazines is generally the first source for people coming into the area to make use of local businesses. Regular advertising and promotions are a big help in achieving results and our publication is an established option that is cost effective for any sized business. Many readers find this very rewarding is finding business and services. **Prices are very competitive and can be from as little as £1 per day!**

Contact 'IN YOUR VICINITY'- 01933 650588 to get your BUSINESS noticed and included in the next edition. With a total distribution of over 30,000 – don't miss out on the fantastic advertising rates currently available; nearly seven years this publication has been in production and helped many businesses with their sales and marketing - go on - give it a go!
